Assigned to vi...@google.com.

 **vi...@google.com** <vi...@google.com> #2

Sep 6, 2022 06:15PM

Thank you for reporting this issue. For us to further investigate this issue, please provide the following additional information:
Steps to reproduce What steps are needed to reproduce this issue? Frequency of occurrence?
Expected output What is the expected output?
Current output What is the current output?
Android build Which Android build are you using? (e.g. OPP1.170223.012)
Device used Which device did you use to reproduce this issue?
Issue details Please explain the issue in detail.
Can you confirm if this issue is reproducible on a Pixel/Nexus device?

Are you reporting this as Developer or User?

Can you provide the API document where this expected behavior is explained?

Related API or developer doc (*Required)

Please provide a sample project or apk to reproduce the issue. Also mention the steps to be followed for reproducing the issue with the given sample project or apk.

Screen Record of the Issue Please capture screen record or video of the issue using following steps:

adb shell screenrecord /sdcard/video.mp4 Subsequently use following command to pull the recorded file: adb pull /sdcard/video.mp4 Attach the file to this issue.

 **hu...@gmail.com** <hu...@gmail.com> [#3](#) Sep 6, 2022 06:19PM 

Always getting this error on android 11. You use apk test to test this error. Even pixels running Android 11 are affected

Are you done ???

 **vi...@google.com** <vi...@google.com> [#11](#) Nov 2, 2022 08:22PM 

Status: Won't Fix (Obsolete)

This issue has been fixed in the latest Android 12 build. Could you please check on the latest Android 12 build. If you're still experiencing this issue, please file a new issue in the AOSP issue tracker and reference this issue ID for context.

 **hu...@gmail.com** <hu...@gmail.com> [#12](#) Nov 2, 2022 09:13PM 

No, Why don't you fix Android 11? You abandoned android 11 or can't fix it??? My device is not getting Android 12 and I need repair for Android 11. I need patch..... Be responsible for the software.

 **lo...@gmail.com** <lo...@gmail.com> [#13](#) Jul 9, 2023 12:32PM 

#12 because google doesn't care about anything other than profits

 **hu...@gmail.com** <hu...@gmail.com> [#14](#) Jul 18, 2023 04:55PM 

So sad !!!
